

United Way in partnership with Anthony ISD Child Nutrition host

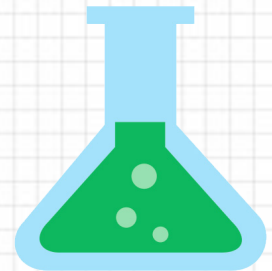

# STEAM

SCIENCE, TECHNOLOGY, ENGINEERING, ART & MATH

# Camp

**July 17 - 21, 2017**  
**8:30 a.m. - 11:30 a.m.**  
**Anthony Middle School**

Children can enjoy a **FREE**, week-long camp focused on science, technology, engineering, art, math, and reading! Activities will include scratch-n-sniff art, ice cream in a bag and more! Lunch will follow.

The camp is open to children (ages 5-10 years old) participating in the Anthony ISD Summer Feeding Program, which offers free, nutritious meals for kids who are between 1 and 18 years old (no child is turned away!).
