## EDUCATION

Goal: Empower children along their educational journey, guiding them from early childhood to accomplished adulthood.

### Early Childhood Education (0yrs – 5yrs)

#### Strategies:

- Programs that promote positive interaction between parents and children, as well as early childhood programs that provide a supportive learning environment for age-appropriate social, motor, intellectual, language, and emotional development.

- **Parents as Teachers Affiliate - HOPES and AmeriCorps**
- **Caring Homes Initiative (CHI)**
- Paso Del Norte Children's' Development Center
- Project Vida
- YWCA El Paso del Norte Region

### Youth Success (5yrs – 17yrs)

#### Strategies:

- Invest and support programs designed to provide school-based engaging activities sequenced and aligned with program goals and create an environment conducive to learning and academic success.
- Enroll students in afterschool programs to help them achieve their full potential academically and personally. These programs offer essential support, including inspiring learning, promoting physical and mental well-being, addressing academic and social needs, and fostering teamwork and communication skills.
- Programs focused on increasing reading proficiency by the end of third grade. Provide expansion of household libraries for children and youth—programs promoting a culture that emphasizes the importance of reading and developing proficient reading skills
